

MV D500

THREE PIECE DOOR LOCK RANGE

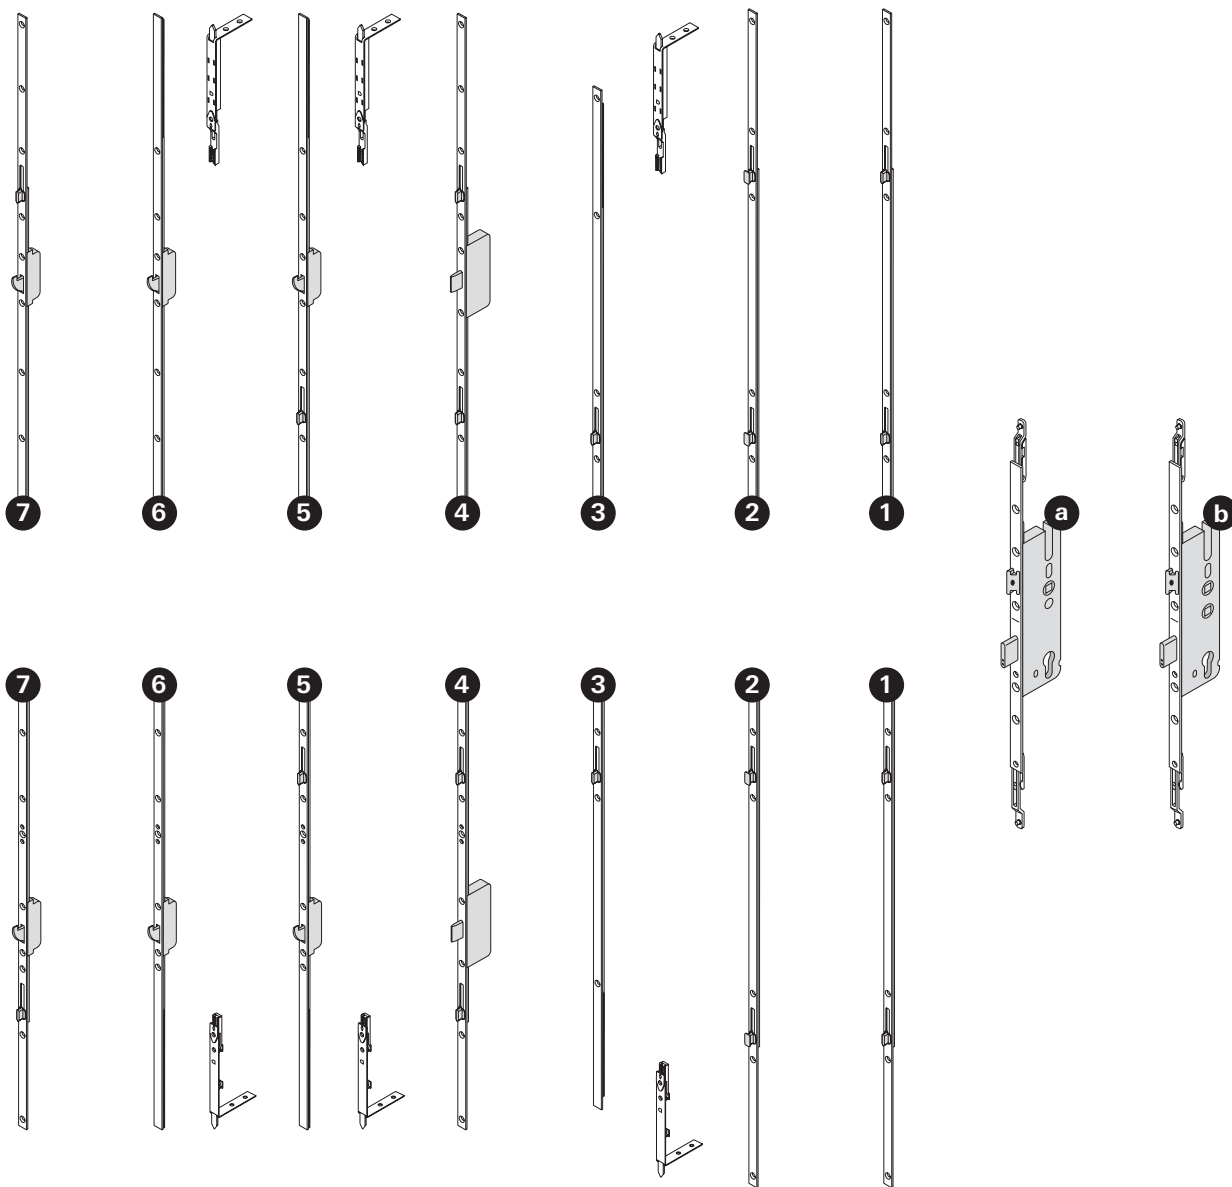

- MLA (Master Lock smiths association) approved. Dependant on locking points.
- Visible surfaces coated with unique ROTO^{nor} finish.
- Standard 35 mm backset.
- 20 mm travel in the drive train.
- 16 mm faceplate width.
- 2 mm faceplate thickness.
- Reinforced deadbolt.
- Handles & hinges are available to suit.
- 10 year guarantee.

Roto MV D500 is an integrated system of multipoint door locks. Security is provided by a central deadbolt and two hooks located top and bottom. The locks allow the fitting of either a lever/lever handle, or lever/moveable pad, which has the added advantage of preventing unwanted visitors wandering into the home. Further variants within the MV D500 range include mushroom cams, deadbolts and a range of double door options incorporating shootbolts.
